# 战旗乐队

战旗乐队,由五位蒙古族乐手组成,是一个融合了民族、摇滚与金属乐的团体。乐队成员自幼聆听蒙古民族音乐,与自然的声音相接,在成长中探索、寻找、实践、推翻再实践的当中不断尝试音乐创作,他们借助于乐器、旋律、历史、文化、自然的力量以及共同的信念与理想,去重塑每一个游走在工业城市的孤独者,遇见曾失去过的心灵依托——与我们渐离渐远直至已经徘徊于梦寐之中的碧草蓝天。

Suld is formed by five Mongolian Musicians. It is a transboundary band merging national music, rock and metal together. The members was edified by national music since they were young. And keep trying to self- creation through exploration and practice. They show their faith and dream by instruments and notes, to rebuild the soul support which is lost by the loners wandering in industrial cities.

我,出生的那个地方,寂静、辽阔中蕴藏着随时可能爆发出无穷力量的雄 浑与博大。我站在这片辽阔的疆域之上极目远眺, 这里除了马群、牛羊还有天 边那片被夕阳染指的火红之外,空无一人。 但是这里从来都不是虚缈而空乏的, 我脚下的每条河流都承载着先祖们留下的故事,我敬畏这里的一切,我的悲欢 喜乐都与这片土地紧紧相连。

The place I was born is silent and boundless, where probably break out the endless power. As I standing on the boundless grassland, and look out as far as I can. Horses, herds and flock of sheep scatter on the ground, except the fiery sunset glow, I can see no one . But here never visionary and empty, the rivers run here witness the stories of my ancestors. I respect everything , hold in awe and veneration . My life connects with the land closely and deeply.

我,是一个游牧在城市中的音乐人 我的信仰与旗帜都指向草原城市有着神秘的吸引力 它让怀揣梦想的我们找到了彼此 但是城市善变,它时而对我们笑脸相迎 时而又给我们重重一击

I am the musician wandering in industrial city, however my faith and belief point to my boundless grassland. The city has magic attraction, we, full of dreams and faiths in our heart, can find each other here.But city is changeable, sometimes it show the smile to us, sometimes gives us a heavy hit.

我们是战旗,面对撞击,悖逆从不妥协 沐浴长生天的恩泽,承载草原母亲的希冀

We are Suld, we never compromise defiance and difficulty. Bathed the bounties bestowed by Tengri (grassland god in Mongolian language), and take the hopes from our mother grassland.

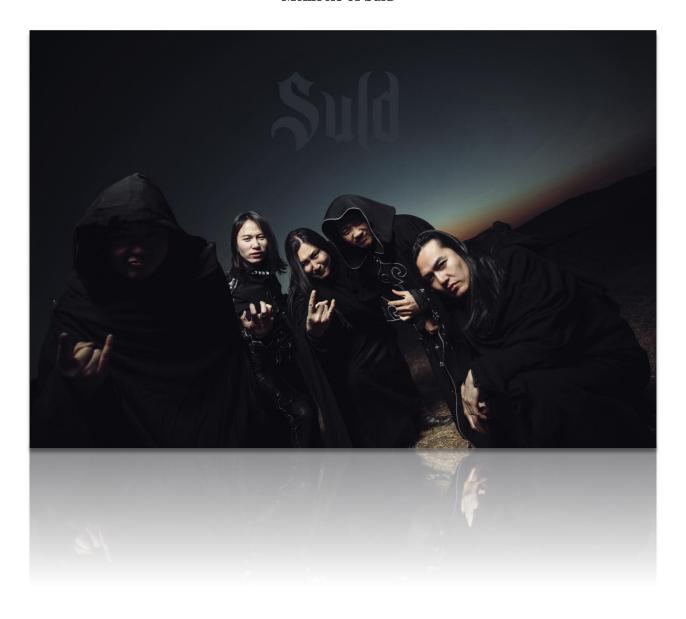

Our nomad music from the vast grassland will pierce the city reinforced by steel.

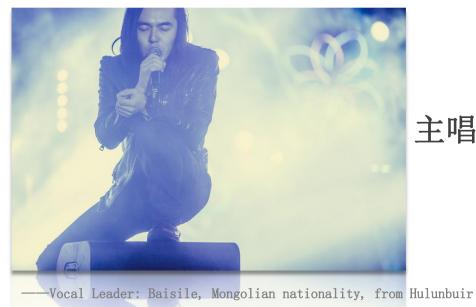

We use our heart and soul to compose the voice lost ever.

I hope what the audience hear is not only yell and cheer, but importantly the desires from bottom of heart.
